

Tiburon *Shark Nose Reverse Bevel Edge*

The Tiburon edge profile brings a charmingly contemporary flair to the classic character of stone in a more durable laminate. Made with a truly unique backsplash to accent its minimalistic style, this edge is the perfect choice for achieving a floating counter effect.

Tiburon Shark Nose Reverse Bevel Edge

Expect More from VT Dimensions

Bring together modern style, intriguing depth, and the seamless edge you want with the beautifully contoured look of VT Dimensions countertops.

Beyond the beauty, you'll have the assurance of knowing VT fabricates the whole countertop from top to bottom—not just the laminate surface—for consistent quality and service. And you get a 1-year warranty you can count on.

One source. Many beautiful looks. Only from VT.

Edge: Tiburon
Laminate: Italian White di Pesco
Wilsonart® 4954-22
